International Bharat Olympiad

A Competency Based Assessment in collaboration with Ministry of Corporate Affairs (Govt. of India)

RECOGNISING BRIGHTEST STUDENTS

INTERNATIONAL BHARAT OLYMPIAD (IBO)

(Empowering Young Minds for a Global Future)

To,

The Principal

Subject: Invitation for Participation in the International Bharat Olympiad - Session 2026-27

Dear Sir/Ma'am,

Warm greetings from the International Bharat Olympiad (IBO)!

We are delighted to invite your esteemed institution to renew your school participation in the **upcoming 2026-27 session of the International Bharat Olympiad** - a distinguished platform that aims to nurture curiosity, enhance conceptual clarity, and strengthen analytical and problem-solving skills among students.

Over the years, IBO has emerged as one of the fastest-growing academic initiatives across India, engaging students and educators in a journey of excellence and innovation. The Olympiads are designed in alignment with the National Education Policy (NEP 2020) and the National Curriculum Framework (NCF 2023) to promote competency-based learning and 21st-century skills.

This year, the Olympiad is being conducted in the following subjects: English (EIBO), Mathematics (MIBO), Science (SCIBO), Social Science (SSIBO)-Environmental Studies (EVIBO), STEM (STIBO), Artificial Intelligence (AIIBO)-Computer (CPIBO), General Knowledge (GKIBO), Hindi (HIBO), Commerce (CMIBO), and Aptitude & Reasoning (ARIBO).

We are proud to announce that National and State Level Toppers will be honored with Cash Prizes, Excellence Awards, and Certificates of Merit. Moreover, School-Level Toppers will receive Special Recognition Certificates and Exciting Gifts.

Participating schools and teachers will also be acknowledged for their valuable contributions toward promoting excellence in education.

To express our appreciation, we are pleased to offer **Advance Registration Benefits and exclusive privileges to schools enrolling early for the 2026-27 session**. We encourage you to take advantage of this opportunity to inspire and empower your students through a globally recognized academic platform.

We sincerely believe that your students will gain immensely from this enriching experience, helping them grow into confident, analytical, and future-ready learners.

We look forward to welcoming your school once again to our ever-growing International Bharat Olympiad community and continuing our shared mission of nurturing brilliance and academic excellence.

Thanking you for your continued support and collaboration.

With warm regards,

Dr. A. K. Sharma

Director

International Bharat Olympiad
